

# GRANTS POLICY

## 1. Scope of Funding

A grant is any payment made by the Parish Council to an organisation for a specific purpose that will benefit the Parish or residents of Billingshurst, and which is not directly controlled or administered by the Parish Council. The law requires that Section 137 grants must be “in the interests of or will directly benefit the area or its inhabitants, or of part of it, or of some of it” and “the direct benefit should be commensurate with expenditure”.

Funding support will be considered to voluntary and community sector organisations that are:

- based in or around Billingshurst and delivering activities or services to the people of Billingshurst
- based outside of Billingshurst but are providing activities or services not otherwise available to the people of Billingshurst

## 2. Policy

Billingshurst Parish Council awards grants, at its discretion, to organisations which can demonstrate a clear need for financial support to achieve an objective which will benefit the Parish by:

- providing a service
- enhancing the quality of life
- improving the environment
- Promoting the Parish of Billingshurst in a positive way

The Parish Council will not award grants to:

- Private individuals
- Commercial organisations
- Purposes for which there is a statutory duty upon other local or central government departments to fund or provide
- “Upward funders” ie local groups where fund-raising is sent to a central HQ for redistribution

- Political parties
- Religious organisations, unless for a purpose which does not discriminate on grounds of belief

Only one application for a grant will be considered from any organisation in any one financial year. Ongoing commitments to award grants in future years will not normally be made. A fresh application will be required each year. Grants will not normally be made retrospectively.

### **3. Availability of Funds**

The availability of funds to support voluntary activity is dependent on the Council's overall financial position and the choices it makes when allocating its resources. The Council will support direct financial support in the form of grants to eligible bodies. It is not just the role of the Parish Council to award grants. Where possible it actively encourages organisations to seek grants from other agencies to finance projects.

### **4. Application procedure**

Organisations requesting financial assistance will be invited to submit a letter of application, completed application form and most recent certified accounts, to the Parish Council for consideration, and organisations will be required to explain the reasons for the grant with clear aims and objectives.

Each application will be assessed on its own merits. However, to ensure as fair a distribution as possible of available funds, the Parish Council will take into account the amount and frequency of any previous awards. Due account may also be taken of the extent to which funding has been sought or secured from other sources or fund raising activities.

### **5. Giving of a Grant**

If the application for a grant is successful the Council would welcome a report showing how the money was spent. Should a grant be awarded but not then used for the purpose intended, it must be returned to the Council
