

Vélo SOUTH ROADSHOW

One of the UK's largest cycling celebrations is coming to West Sussex this September. The one-day extravaganza promises to bring a truly spectacular close to the summer, and with local community support it can showcase the sunshine county at its best. Members of the Vélo South team are going to be across the county during the month of June to meet local residents and businesses alike to chat about the event, talk 1-2-1 through any concerns you may have or share information on how you can get involved. Below is a map and list of locations and timings of the Roadshow and we hope to see you there. If you can't join us, please remember you can email your questions to route@velosouth.com
