

The Queen's Award  
for Voluntary Service

Charity Registration no.1173818

## Community Minibus Association (West Sussex)

# VOLUNTEER ROLE CHAIR OF TRUSTEES & EXECUTIVE DIRECTOR

Inspiring Leader, Diplomatic, Organised and with the Experience and Skills to Manage and Coordinate a Diverse Range of Volunteers

An Award-winning all-volunteer charity which has been operating across rural West Sussex for over 40 years is seeking a new Chair of Trustees to lead, manage and coordinate the work of over 300 volunteers. You would chair the Trustee Board and direct the activities of the teams which deliver the charity's purpose throughout their communities.

This role would suit someone recently retired from paid employment looking for a personal challenge.

The charity is a Charitable Incorporated Organisation operating across 8 areas, run by local volunteers and covering towns and villages in the rural parts of West Sussex. With a modern fleet of 12 Minibuses the charity provides a door to door service for its beneficiaries, providing much needed transport, helping to combat loneliness and isolation.

If you are interested, please contact the current Chairman through the charity's website at [westsussexminibus.org.uk](http://westsussexminibus.org.uk)
