Project Work

'Brick Lab' Construction Club

Brick Lab Construction Club Continues to Build Success

We are delighted to share that our **Brick Lab Construction Club** has now been running successfully for several weeks, providing a fun, engaging, and educational activity for home-schooled and home-educated children within our community.

The club has quickly become a popular and welcoming space where children can explore their creativity, tackle construction challenges, and bring their ideas to life through building projects. Each session encourages imaginative thinking, problem-solving, and perseverance, as participants work through different designs and construction tasks.

Beyond the enjoyment of building, the club offers a range of developmental benefits. Manipulating bricks and small construction pieces helps to strengthen fine motor skills, improving hand strength, coordination, dexterity, and

control. These skills play an important role in many everyday activities, including writing, drawing, and practical tasks that children encounter both at home and in education.

The club also places a strong emphasis on collaborative play. Children work together on shared projects, learning how to communicate ideas, listen to others, negotiate solutions, and support their peers. These valuable social experiences help to build confidence, encourage teamwork, and strengthen friendships in a positive and inclusive environment.

It has been fantastic to see the enthusiasm, creativity, and cooperation shown by all those attending. We are proud of the welcoming atmosphere that has developed over the past few weeks and look forward to continuing to provide opportunities for children to learn, create, and connect through play.

A huge thank you to everyone who has supported the launch of 'Brick Lab' so far. We are excited to see what our young builders create next!

The Club is open to children aged 8-14 years and runs at 'The Depot' 83a High Street, Billingshurst, RH14 9QX on Thursdays 1000-1200.

Chapel Corner Gardens – Trinity United Reformed Church

Progress on the Chapel Corner Gardens project has been slower than anticipated in recent months, largely due to the prolonged period of hot, dry weather. With planting conditions far from ideal, we have taken the opportunity to pause and carefully plan the next exciting phase of the scheme, ensuring that the new planting has the best possible chance to thrive.

Despite the delay, there has been some fantastic news. The garden was kindly entered by Billingshurst Parish Council into the **South & South East in Bloom** competition in the '**Gardening with Young People**' category and was awarded a **Silver Gilt**. This recognition is a testament to the hard work, enthusiasm, and partnership that has driven the project forward.

The award reflects the collaborative efforts of students from Woodview at **Ingfield Manor School**, who worked alongside us earlier in the year to clear the existing beds and borders, creating a blank canvas for the transformation. Their contribution laid the foundations for the redesigned garden, which was subsequently brought to life through the expertise of **David Neale Landscapes**, whose redesign and construction work has helped turn the vision for the space into reality.

We are looking forward to moving into the planting phase in the coming months and continuing to develop a welcoming and attractive community garden that can be enjoyed by residents and visitors alike.

If you wish to help with the planting or ongoing maintenance of this community garden, please contact us at billingshurstwardens@horsham.gov.uk

Youth Provision

Youth Boxing Programme

Following the summer break, our popular **Youth Boxing Programme** has successfully returned, with strong attendance from existing participants and a welcome influx of new members joining from this year's Year 7 intake.

The programme continues to attract a diverse group of young people, with a healthy mix of boys and girls taking part and strong representation from school years 7 through to 13. It has been particularly encouraging to see older participants helping to create a supportive and inclusive environment for younger students as they settle into the sessions.

As well as promoting physical fitness and healthy lifestyles, the programme provides valuable opportunities for young people to develop confidence, self-discipline, resilience, and mutual respect. The continued growth in attendance demonstrates the programme's popularity and highlights the important role it plays in providing positive activities and constructive engagement for local young people outside of school hours.

We would like to thank all participants, parents, and partners for their ongoing support and look forward to building on this success throughout the coming months.

If you'd like to know more about WBC Cares UK please take a look at their website here:

A promotional poster for the Youth Boxing Programme. At the top, a young woman with dark hair, wearing a black tank top and boxing gloves, is smiling. To her right is a pink circular badge that says "FREE in Billingshurst" with "by Billingshurst Parish Council" written below it. Below the woman, the text "WBC CARES" is displayed with a small logo. The main title "YOUTH BOXING PROGRAMME" is in large, bold, blue letters. Below this, the schedule "Wednesdays 3.15pm - 4.15pm" is listed, followed by the location "The Old Dance Studio at The Weald School, Station Road, Billingshurst RH14 9RY". A pink box contains the text: "Free Boxing programme run by WBC Cares Boxing for young people age 11-17. No need to book, just come along and try it out!". At the bottom, contact information is provided: "For more info please contact your Neighbourhood Wardens: Call 07796 051518 | 07796 051529 Email: billingshurstwardens@horsham.gov.uk". The bottom of the poster features logos for the Billingshurst Parish Council, Neighbourhood Wardens, and Horsham District Council.

The Billingshurst Youth Club returned on Wednesday 9th September and it has been positive to see the number of new Year 6 young people coming along as well as those returning from the summer term.

On Wednesday 23rd September 16 young people attended and most of the group had a try at making fresh pasta which was great fun ... and somewhat messy! We also made some pizzas out of bread rolls too. The group have also asked to hold a Japanese themed night and a halloween night during October.

The Youth Club is currently aimed at young people in school years 6-8 although some young people in older year groups are returning to help support running activities and the tuck shop. The numbers of young people attending has really shown the need for a safe place for young people to meet and spend time with their peers. Sessions cost £3 to attend for non-members of 4TheYouth and £2 for members. Details about all the youth clubs run by 4TheYouth and how to become a member are available at their website:

Lunchtime visits to Billingshurst Primary Academy

Our regular lunchtime engagement sessions at the local primary school continue to provide an invaluable opportunity to build positive relationships with young people, particularly those within Key Stage 2.

Through play and informal conversations, these sessions allow pupils to get to know the Neighbourhood Warden team in a fun, relaxed, and familiar environment. By establishing these connections early, we aim to ensure that children see us as trusted, approachable members of the community whom they can talk to if they have concerns or need support.

The sessions also help us to better understand the interests, challenges, and experiences of local young people, enabling us to engage with them more effectively both in school and within the wider community. As many of these pupils eventually transition to The Weald School, the relationships formed during primary school can help provide continuity and familiarity during what can be a significant change in their educational journey.

In addition, these early positive interactions often prove beneficial when we encounter young people elsewhere in the community. Familiarity and trust help to foster respectful engagement, allowing us to support, guide, and positively influence young people as they grow and become more independent.

We are grateful to the school for its continued support of these sessions and are pleased to see the enthusiasm with which pupils engage each week. This ongoing partnership remains an important part of our preventative and community-focused approach to working with local children and young people.

Visits to meet Year 7 Students at The Weald

Alongside our primary school engagement work, we have continued our regular weekly visits to **The Weald School**, maintaining contact with many of the young people we have worked with throughout their time in primary education.

It has been particularly rewarding to see familiar faces as pupils make the transition into Year 7 and begin the next stage of their educational journey. The relationships and trust built through our lunchtime engagement sessions over a number of years mean that many students already know who we are and feel comfortable approaching us for a chat, advice, or support when needed.

This continuity of engagement is a significant benefit, allowing us to provide a consistent and recognisable presence during what can be a challenging period of change for young people. By maintaining these established relationships, we can help support pupils as they settle into a new school environment, build confidence, and navigate the increased independence that comes with secondary education.

Our ongoing presence at The Weald School also strengthens the partnership between schools and the Neighbourhood Warden Service, helping to ensure that young people continue to view us as approachable and trusted members of the community. As these students grow older and become more active in the wider community, the positive connections developed through both primary and secondary school engagement help foster mutual respect and constructive interactions.

It is extremely pleasing to see how the investment made in early engagement at primary school can continue to deliver positive outcomes as young people progress through their school years, enabling us to support them more effectively and helping to strengthen community relationships for the future.

Events and Meetings Attended This Month

Parbrook Play Area Event – Tuesday 1st September

We were pleased to be invited to attend the open day celebrating the reopening of **Parbrook Play Park**, hosted by Horsham District Council's Parks and Countryside Team. Following its refurbishment and the installation of new play equipment, it was wonderful to see so many local families enjoying the enhanced facilities and making the most of this valuable community space.

Brick Lab Launch Meeting – Friday 4th September

Prior to its soft launch on September 10th, we met with Denise & Gillian from Billingshurst Community Partnership and Dom from Billingshurst Lions to iron out some last-minute details about our brick lab and to finalise our risk assessment and terms & conditions. We also talked about the best ways to promote the group.

Community Services Team Meeting at Albery House – Tuesday 8th September

All the wider Community Services Team meet weekly each Tuesday as they are based at Albery House, we attend bi-monthly on a rotation with the other warden schemes. It was our turn to attend on the 8th September to hear what the wider team are currently working on and to give our updates on our projects and current issues in Billingshurst.

Modern Day Slavery & Organised Crimes Group Training – Tuesday 8th September

We attended a meeting run by West Sussex County Council on Modern Slavery and Exploitation which covered signs of organised begging in the community, slavery and exploitation, with guidance on reporting mechanisms.

Horsham Young Futures Panel Meeting – Wednesday 9th September

We attended the Young Futures Panel meeting (formerly known as Peer Group Conference) on 9th September. The meeting brings together representatives from the district's schools, local authorities and other supporting organisations to support and safeguard young people. Together the group identifies and responds to:

- places and spaces where children and young people may be unsafe and/or
- any children and young people who are at risk of harm

Meeting regarding concerns for a rough sleeper – Tuesday 15th September

We joined a meeting chaired by HDC's Rough Sleeper Co-ordinator from the Housing Options Team alongside Jordan, our warden colleague from Horsham, and representatives from the NHS and mental health teams regarding a rough sleeper who moves between Horsham town and Billingshurst to see what support measures can be put in place for the individual.

Meeting regarding ASB concerns at residential property in Billingshurst – Wednesday 16th September

We attended a meeting with one of our HDC Community Safety Officers and HDC's Housing Team regarding some complaints received about the occupants at an HDC temporary accommodation dwelling. Working together with other departments is key to information sharing and assisting to tackle anti-social behaviour issues.

Meeting with Age UK Horsham – Wednesday 23rd October

We had a great meeting with our friends from Horsham's Age UK team. We are planning a pop-up event for older people in Billingshurst soon. Watch this space for a future update coming soon.

Billingshurst Neighbourhood Wardens - Come & See Us

Drop-In at Sainsbury's - Saturday 19th September

Thank you to Sainsbury's for letting us hold our September drop-in at the front of their store on Saturday 19th September. We had hoped to set up outside, but the weather proved to be a little too windy that day for our leaflets! Positive interactions were had with families and shoppers.

If you have anything you would like to discuss with us, whether it be community issues or concerns or to find out more about what we do and the projects we are working on, you will find us on:

- Saturday 17th October between 11.00am & 12.00noon outside Lidl, Billingshurst
- Saturday 14th November between 11.00am & 12.00noon at Billingshurst Library
- Saturday 5th December between 10.00am & 3.00pm at the Christmas Fayre, Billingshurst Centre.

Horsham District Council Winter Warm Ups

Winter Warm Ups is back for 2026, with brand-new Fringe events across the district!

HDC's Winter Warm Up events are here to help people aged 50+ stay active and keep socially connected during the colder, darker months.

This year's programme includes free community event days at The Bridge Leisure Centre in Horsham (Wednesday 14 October) and Chanctonbury Leisure Centre in Storrington (Thursday 15 October), alongside a brand-new Winter Warm Ups Fringe programme, showcasing activities and events taking place in communities across the district.

This year, the team have worked hard to create something for absolutely everyone. The fringe programme features a fantastic mix of indoor and outdoor activities, including cycling, guided walks, gardening, ballet, fishing, exercise classes and much more. Meanwhile, events at Chanctonbury Leisure Centre and The Bridge Leisure Centre include sports taster sessions, Clip 'n Climb, hearing tests, wellbeing MOTs, arts and crafts activities, and plenty more!

Reports of Indecent Exposure around Station Road Gardens

Unfortunately, The Weald School Senior Leadership Team has made us aware of multiple reports from students concerning a male allegedly exposing himself in and around the **Station Road Gardens** area at various times of the day.

These incidents have been reported to **Sussex Police**, and we are continuing to liaise with the school and relevant partner agencies. In response to these concerns, we have increased the frequency of our patrols in and around the area, covering a range of times throughout the day where operational demands allow.

Our aim is to provide a visible and reassuring presence for young people, parents, and the wider community, while supporting any ongoing investigations and encouraging the reporting of any further incidents or suspicious behaviour. We will continue to monitor the situation closely and work with our partners to help ensure that local residents and students feel safe when travelling through and using this public space.

Station Road Gardens Volunteer Gardening Days

Once a month the Station Road Gardens volunteer team work hard gardening and maintaining Station Road Community Gardens for everyone to enjoy. They would love for more volunteers to join them so please do pop along and meet them to find out more.

The Billingshurst Men's Shed is often also open during these sessions so a great opportunity to pop along and speak to both organisations, if you are interested in joining.

Friday Coffee Mornings @ The Billingshurst Centre

Emergency Services Day (also known as 999 Day) took place on Wednesday, 9 September 2026, honouring the UK's NHS and emergency services personnel. Whilst we are not technically an emergency service we do carry out a lot of work within the community to help keep Billingshurst happy and safe and it was very touching to receive this lovely card from the residents at Derwent Lodge when they attended our Coffee Morning on Friday 11th September.

Our coffee mornings are held in conjunction with The Billingshurst Centre and run between 10am and midday every Friday throughout the year (except Good Friday and over the Christmas period) and everyone is welcome!

The Billingshurst Community Police Office is also open when our coffee morning operates so you can also pop in and seek help and advice there too.

Whilst Out on Patrol

Graffiti

We have not received any reports of new graffiti this month within the parish.

Fly Tipping & Litter

Litter

Sadly, the amount of litter discarded around the village remains high. A huge thank you to Billingshurst's Cedars Beavers group who joined Louisa on Tuesday 15th September to carry out a litter pick of Station Road gardens during their session. 4 bags of litter were collected in the gardens alone!

Please remember to put your litter in the bins provided and if they are full – take your litter home.

Fly tipping around the parish

As well as large amounts of litter being discarded in the parish, September also saw a disappointing amount of fly tipping too. Large amounts of rubbish were dumped on both side of the road in Rowner Road at the start of the month and later in the month we also found dumped black sacks in West Chilton Lane on the edge of the highway and around 30 bags of insulation materials dumped in Wooddale Lane as well as a “Henry” vacuum cleaner and other assorted waste materials.

If you have any additional household rubbish, it is very easy to book a slot at the WSCC recycling centre in Billingshurst. You can do so at the link below:

<https://www.westsussex.gov.uk/land-waste-and-housing/waste-and-recycling/recycling-and-waste-prevention/recycling-centres/billingshurst-recycling-centre/>

Anti-Social Behaviour/Damage

Old Barclays Bank, High Street

Following further reports of unauthorised access to the former Barclays Bank building, along with information received from local sources, we investigated a suspected access point. Our inspection found that while the outer doors had previously been damaged, with glass panels smashed and removed, the inner doors had been left unsecured. This allowed individuals to gain entry by climbing through the damaged outer doorway and simply pushing open the unlocked internal doors.

We had previously raised concerns regarding ongoing access issues with both the property owners and Horsham District Council's Planning Compliance team. It was therefore encouraging to find that further security measures had since been implemented, including securing the front entrance and undertaking additional works to restrict access to other vulnerable areas of the building.

We will continue to monitor the site and liaise with the relevant parties where necessary to help ensure that the property remains secure and does not become a focal point for anti-social behaviour or other issues affecting the local community.

Damage to play equipment at Amblehurst Green

We were disappointed to hear from members of the Amblehurst Green Residents Association (AGRA) that a piece of play equipment at the Challen Street Playpark was vandalised by a group of 4 boys aged approximately 13/14 years of age on Sunday 27th September. The damage has been reported to Sussex Police, and we have been carrying out additional patrols in the area when our shifts allow.

WHO DO I REPORT TO?

Please see the graphic below that helps to explain who you should report crime and anti-social behaviour to and how. If you see it, it is important to report it.

Reporting crime and anti-social behaviour

999	101	Crimestoppers.	British Transport Police	Horsham District Council
• A crime is happening now. • Someone is in immediate danger or at risk of harm. • Property is in danger of being seriously damaged. • A serious disruption to the public is likely.	• All non-emergency incidents where the crime has already happened or there is no immediate risk of harm.	• To report crime 100% anonymously. • Crimestoppers is not the police – it is an independent charity working to help communities. • Information given will be shared anonymously with the police.	• Non-emergency incidents on a train or at a station can be reported direct to the British Transport Police online: www.btp.police.uk/reportcrime. • There is also a Railway Guardian app.	• Report general anti-social behaviour and repeated public nuisance to the ASB team at Horsham District Council. • You can also report litter, fly-tipping, graffiti, dogs and dog fouling online: www.horsham.gov.uk/report.

See it. Report it.
Reporting crime and ASB means we can work together to reduce it.

Horsham District Council App

Horsham District Council have a useful app that can be used to find out lots of information, report litter, fly-tipping, and graffiti, and you can even set up handy reminders about your waste collections too. The app can be downloaded from the Apple or Google Play stores. More information and links to download are available on the HDC website: <https://www.horsham.gov.uk/mobileapp>

Dog Related Issues

Dog fouling can be reported via the HDC website: <https://www.horsham.gov.uk/waste-recycling-and-bins/litter-and-street-cleaning/dog-fouling>

Any attacks by dogs need to be reported immediately to Sussex Police. Their advice is that if there is an immediate threat to human or animal life to call 999. Otherwise report to the police on 101 or via the Sussex Police website reporting form. <https://www.sussex.police.uk/ro/report/ocr/af/how-to-report-a-crime/>

If a neighbour is allowing their dog to bark excessively causing a persistent noise nuisance this can be reported to Environmental Health & Licensing Team here:

<https://www.horsham.gov.uk/environmental-health/noisy-neighbours>

Dogs Roaming Free

If you find a dog roaming free and not being supervised, you may wish to consider reporting it to Horsham District Council's approved contractor on 07512 089777 and they will come and collect. ***This is a 24/7 service, but the dog does need to be contained for them to collect.***

WARDENS

THE WORK WE DO IN YOUR COMMUNITY

Based within the community, your Neighbourhood Wardens work alongside partner agencies to improve the quality of life for everyone and promote community cohesion and resilience. The Wardens undertake a number of activities, ranging from enforcement to community development.

Neighbourhood Wardens can help the community in the following ways:

- Meet the needs of the community and improve the quality of life for the residents, through engagement, promotion and support.
- Develop projects that benefit the local residents, to tackle community safety issues and promote inclusivity.
- Promote community cohesion, resilience and solidarity to encourage and empower communities to resolve issues.
- Support vulnerable members of the community with activities, advice, welfare checks and signposting.
- Engage with residents daily to get to know their local community and become a trusted friend to offer advice and guidance.
- Offer education and advice when required, before taking enforcement action.
- Contribute to the delivery of the Community Safety Partnership plan by working with other agencies.
- Provide a highly visible and reassuring uniformed patrolling presence.
- Provide an effective eyes and ears service aimed at reducing the fear of crime and improving quality of life.
- Work alongside the Police and submit reports regarding drug use, criminal damage and anti-social behaviour.
