Your Neighbourhood Wardens

- We meet the needs of the community to improve the quality of life for the residents through engagement, promotion and support.
- We develop projects that benefit the local residents to tackle community safety issues and promote inclusivity.
- We promote community cohesion, resilience and solidarity to encourage and empower communities to resolve issues.
- We support vulnerable members of the community with activities, advice, welfare checks and signposting.
- We engage with residents daily to get to know our community to become a trusted friend to offer advice, guidance and educate.
- We offer education and advice when required before taking enforcement action (Fixed Penalty Notices for Public Space Protection order and Environmental Crime offences)
- We contribute to the delivery of the Community Safety Partnership by working with other agencies to provide a highly visible and reassuring uniform patrolling presence.
- We provide an effective eyes and ears service aimed at reducing the fear of crime and improving quality of life.
- We submit reports to the police to reduce incidents of drug use, criminal damage and anti-social behaviour (101 in non-emergencies and 999 in emergencies) and work alongside them to tackle anti-social behaviour.
