**What we can do to assist the community:**

- Provide a reassuring, uniformed patrolling presence.
- Provide an efficient eyes and ears service aimed at reducing fear of crime and improving the quality of life.
- Deal with environmental crime issues, notably dog fouling and littering, and help to preserve the environment.
- Reduce incidents of criminal damage and anti-social behaviour by taking enforcement action where necessary, including issuing Fixed Penalty Notices, or referring to the police.
- Support the community by encouraging the establishment of activities for young people.
- Support vulnerable members of the community by preventing isolation.
- Offer advice on crime prevention and fire safety in the home.
- Work in partnership with other agencies to help benefit the community.
- Act as professional witnesses.

**What we don't do:**

- We are not a replacement for the police.
- We are not an emergency service or response team. Crime and anti-social behaviour should be reported to the police directly.
- As we do not work 24/7 there will be times when neither warden is on duty.
- When dealing with the elderly and vulnerable, we are not there to provide a care service but we are able to signpost to the relevant agencies.
- We are not parking wardens and cannot issue parking tickets.

If you wish to speak to us in confidence, please give us a call.
