

NEIGHBOURHOOD WARDENS FEBRUARY 2023 UPDATE

On Friday mornings between 10.00 – Midday we have a Warm Space at The Billingshurst Centre, this is a place where you can come and meet other people, have a chat and cuppa. We sometimes have different agencies coming in to have a chat. So far, we have had Age UK, 6 burly firemen with their Fire Engine and Carers Support who gave advice and information to those that needed it. So if you think you might like this then come along; Barry and Julie will be there to welcome you.

If you want to get out in the fresh air and meet other residents, then please come along to The Horsham Wellbeing Walks. We meet outside The Billingshurst Library for 11am on Thursdays, then we go for an hours walk, no-one is left behind and the walking group are welcoming and friendly.

We have our Warden drop-in sessions so that residents can come and meet us to discuss any Community issues that maybe concerning them or if you just need a chat then please come along. Here are the dates and venues for the next few drop ins:

Saturday 4th March: 09.30 – 11.30am Outside the back of Sainsburys.
