

A NEW YEAR UPDATE FROM JUBILE & BARRY
YOUR BILLINGSHURST NEIGHBOURHOOD WARDENS

Firstly, we would both like to wish you a Happy, Healthy New Year (albeit slightly belated).

The Fully Funded Boxing Programme for young people aged between 11-17 years old, is still going very well here in Billingshurst. The programme is moving to The Weald School in the Dance Studio from Thursday 18th January between 3.30pm – 4.30pm. The Billingshurst Lions are very kindly sponsoring T Shirts for the young people, which they will be designing themselves, so we are very grateful to The Lions for their ongoing support of the Programme and the Wardens Scheme.

As we are all aware, we have a cost-of-living crisis here in the UK, which means we are all paying a lot more money for energy, food, fuel etc. So, to relieve a little of the pressure we are promoting a scheme called “Warm Spaces”. These are places where residents can come together for a free, warm, safe and welcoming place providing a hot drink and some company.

At the Billingshurst Centre in Roman Way, they are holding a Warm Space for the community of Billingshurst from Friday 20th January in the Stanley Room between 10.00 am – 12 noon. We will be on hand to welcome you; so come along and have a cup of tea/coffee and spend an hour or so with others in the warm.

Our Warden pop up sessions are a place where you can come and talk to us about any community issues you are having; sessions for the next few months are noted below: -
