A cyclist was seen hanging around train station area for unusual amount of time before meeting with another vehicle. An intelligence report was submitted.

The Weald reported that groups of young people meet after school, not social distancing and loud music being played. We are monitoring the area and have requested that the Weald School send an email to all parents regarding this and if their children are seen breaching COVID 19 Restrictions then they may receive a fine.

The skate park has been visited. There were no young people in the park apart from two older males who turned their music down as requested. We visited again later and there were no further no issues.
