| ٥. | and or grant requested                                | cost effective option at £228 incl. VAT)  |
| 6. | For what purpose or project is the grant requested?   | We are requesting information signs for the proposed areas of land in the village which we have suggested are 'rewilded'. These areas will only be mown twice a year, allowing the recovery of wild flowers and grasses.  This rewilding will be of benefit to local wildlife but we hope will also be attractive to residents to look at, improving the local environment.  However we acknowledge that not all residents may understand why the grass has been left to grow. These signs will inform residents of the reason for leaving the grass long with illustrations of wildlife and suitable wording or slogan (possible egs 'wildlife zone' or 'nature recovery in progress' but still to be confirmed) |
|    |   | We are requesting 25* round signs (with three different designs), double sided print cut from offcuts of foamex to reduce environmental impact.  A more cost-effective option is single sided print.  Our aim for the rewilding project is to improve the environment in Billingshurst.  Our specific objectives are to  1. Improve the biodiversity and environmental benefit of the rewilded pieces of land.  |

|     |  | <ol> <li>Provide attractive looking areas of land for residents to enjoy adding to their wellbeing.</li> <li>Inform residents of the benefits of rewilding areas and taking care of the local environment.</li> </ol>  |
|-----|--|--|
|     |  | This application for a grant to fund the signs will specifically meet objective 3.   |
|     |  | *The 25 signs would be placed on Parish Council managed land, as well as selected WSCC verges (which are being 'adopted' by BilliGreen volunteers), rewilded areas around the HDC-managed Penfold Grange area, and the Chapel grounds. HDC, WSCC and the Chapel committee have given written pemission for BilliGreen signage to be used on their rewilded areas. We believe the use of consistent signage throughout the village will create clarity and a distinctively 'Billingshurst' identity to our nature recovery network. |
| 7.  | What will be the total cost?   | £303 incl VAT (we are also submitting a more cost effective option at £228 incl. VAT)  Design of the signs will be provided free by a local company. Labour to erect the signs will be provided free by volunteers.  |
| 8.  | When will the money be spent?  | March 2021   |
| 9.  | Who will benefit from the project?   | Residents of Billingshurst including those of all ages Visitors to Billingshurst.  |
| 10. | Approximately how many of those who will benefit are Billingshurst parishioners? | The majority – it is of general benefit to all parishioners  |

Dear Billingshurst Parish Councillors,

### Application for a grant to fund signage for 'wildlife zones' in the village

Background: BilliGreen is a new local environmental group. We have recently proposed to the Parish Council a 'rewilding scheme' on selected areas of Parish Council managed land alongside a similar scheme in Billingshurst on Horsham District Council managed land and in parallel with a scheme being run by West Sussex County Council in the village. The 'rewilding scheme' will involve a reduced mowing policy following a traditional meadow regime of twice-yearly only mowing. This will encourage wildflowers and grasses.

The scheme's objectives are to

- 1. Improve the biodiversity and environmental benefit of the rewilded pieces of land. This includes attracting pollinators which are vital to local agriculture and horticulture, attracting other wildlife including birds, reducing flood risks by creating more plant cover to absorb water, reducing pollution, and acting as a carbon sink.
- 2. Adding to the visual attraction of the land for residents to enjoy.
- 3. Inform residents of the benefits of rewilding and taking care of the local environment.

Purpose of the signage: This application for a grant to fund the signs will specifically meet objective 3 above. The purpose of the signage will be to educate and inspire, but also to manage expectations. Many people have an expectation of seeing closely-mown grass in public areas. Seeing areas left to grow long requires a mindset change and the purpose of the signage is to achieve this. The signs will be attractively designed with a phrase such as 'wildlife zone' on them and illustrated with wildlife images such as bees and butterflies. They will contain the logos of BilliGreen and the Community Partnership demonstrating that this a local initiative.

Signage cost details

We are requesting funding just for the printing and materials for the signage. The cost of the design work will be provided free by a local design company. Labour to erect the signs will be provided free by BilliGreen volunteers. We have worked with the design company to secure printing on offcuts from other projects to reduce the environmental impact of having these signs printed on foamex (a plastic based board but durable and weatherproof).

As we are a new organisation, started in June 2020, we do not have certified accounts we can provide. We have recently joined the Billingshurst Community Partnership and will be using their bank account to administer any funds.

I hope you will consider our request and look forward to hearing from you.

Kind regards

Mela Davidson

Subject: URGENT - SAVE PC SERVICES - Letter from 3 Chairmen to all 138 WSALC Parish and Town Councils

Dear Clerk,

Please also forward this e-mail to your Parish Council Chairman upon receipt.

This is a note from an informal steering group of concerned West Sussex Town and Parish Clerks and Chairmen. We have held several informal virtual meetings, to one of which we invited the WSALC Chairman Terry Oliver and Vice Chairman Mike Beal. A record of that meeting is attached.

The situation in West Sussex as of 12<sup>th</sup> February 2021.

The current arrangement for Parish Councils to receive assistance from the Surrey and Sussex Association of Parish Councils (SSALC) team headed by Trevor Leggo will end on the 31st of March this year with SSALC's winding up.

The Board of the West Sussex Association of Local Councils has, by undertaking its own review with no openness and transparency over the last 6-8 months, looked to withdraw from the SSALC arrangement without having consulted Parish Councils in West Sussex. The WSALC Board has instead signed a contract with Hampshire Association of Local Councils (HALC) as an inevitable break up of SSALC has occurred due to the timing of the WSALC Review and the positions taken by both East Sussex and Surrey to protect the interests of their members. The rationale given is cost saving, but no attempt was first made to achieve cost savings through SSALC. The so-called value for money exercise undertaken for WSALC by Prof Copus recommended further work.

This new arrangement with HALC has been made without discussion or consultation with Parishes in West Sussex. Also, without any alternatives being offered, any supporting Business Plan, value for money comparisons or sight of the contract. The new arrangements are being presented to all 138 Parishes on 18<sup>th</sup> Feb, via Zoom, some weeks after the decision was made to move away from SSALC.

### Response by West Sussex Town and Parish Councils

There are two ways the strategy of the WSALC Board can be changed. One is at the AGM on 25<sup>th</sup> February. The second is to hold District Association meetings to appoint new Board Directors to the WSALC Board. Both ways should be pursued concurrently. An EGM could also be called.

Firstly, please note that the AGM will be held on the 25<sup>th</sup> February 2021 at 10am and your designated two Members are able to attend and vote on all matters. Those attending need to register with the Company Clerk, Paul Richards, who has sent the attached final agenda out to all Councils, by **Friday 19<sup>th</sup> February**.

Please ensure that your two WSALC voting representatives attend the AGM to vote on the Special and Ordinary Resolutions proposed under agenda item 9. Your official representatives should have been appointed at your Annual Meeting last May. If either are unable to attend the meeting then you can send another councillor instead but to do this the Council must submit a proxy form to Mark Mulberry as the Company Secretary by 5pm on **Friday 19th February**. Please ensure you write the name of the councillor attending in their place in the section where it says 'Name of individual'. The correct proxy form is attached to this email if required.

We urge Parish Councils across West Sussex to attend the WSALC AGM to express their views and support the resolutions to reverse the WSALC decision.

The second way is for Parishes to call District Association meetings to review the representation on the WSALC Board from your District Association. Each Council is the 'member' and your designated representative(s) to the District Association can vote on its WSALC Board member appointments.

### What support will be available for Parish Councils in future?

Our informal steering Group propose to seek changes to the WSALC Board through the AGM. Also, through asking District Associations to review their nominations to the WSALC Board with the aim of recovering as near to the existing quality service that was offered by SSALC reflecting both SSALC and WSALC value for money proposals tabled by both Boards. Notices of withdrawal from WSALC may be rescinded.

If changes to the WSALC Board are unsuccessful then we aim to establish a new Association for the large number of Parish Councils that have indicated they will withdraw their funding and support from WSALC. We aim to promote a more inclusive, democratic and transparent focus for Parish Councils in West Sussex and develop more collegiate working arrangements with West Sussex County Council, who are aware of the developments with SSALC and WSALC and District Councils. Also with East Sussex Association of Local Councils.

Yours sincerely

Tony Steer, Chairman Bolney PC, Chairman MSALC and WSALC Board Member

Martin Beaton, Chairman Aldingbourne PC

Douglas Denham St Pinnock, Chairman West Hoathly PC

FW: F&GP item

One thing the COVID situation has taught us, is that emergences and crises can occur quickly and when they do occur, they can change on a daily basis. Sometimes, urgent situations may arise which cannot wait for a meeting to be held. Equally, situations may arise over a weekend or holiday period where staff are not available to deal with things or offer advice and information.

Ideally, I would have liked the committee to have been able to allocate some money from general reserves for an "Emergency and Crisis Fund", this money could have been called upon by the Chairman or Clerk to assist local residents in an emergency or crisis where time would not have permitted for a meeting to be called and a decision to have been made following normal procedures. However, the Clerk feels that the Council would not have the power to delicate such spending to the Chair or Clerk and has suggested that an alternative might just be to increase the Chairman's Allowance instead. This will actually be more straight-forward and would not as far as I can see mean that any additions to the council's financial regulations would be needed.

In January, local residents started receiving COVID vaccines at Storrington. Billingshurst Community Transport liaised with the COVID support group to see if there were any funds available to subsidise trips for those unable to pay the full normal fee. Various sources of funding were looked into but as Chairman of the Parish Council, I would have liked to have been in the position to have been able to contribute, say £500, to get the project started quickly to help assist local residents to obtain the vaccine, who otherwise may have struggled to attend appointments. I felt that the Parish Council should be helping but could not react quickly enough to make any meaningful contribution. Funds were found in the end and this subject appears as a separate item on the agenda, however I use it as an example of where, in a crisis or emergency, it might be beneficial if the council could assist quickly if needed.

I would like the F&GP committee to consider the following proposal please.

"I propose that Chairman's Allowance is increased to £1,000 (from 1<sup>st</sup> April 2021) so addition funds are available to the Chair to assist parishioners should an emergency or crisis arise"

It would be my expectation that, as now, the full amount of Chairman's Allowance would not be used in most years.

Best wishes,

Paul

His duties may generally be considered in two parts: first, the duties outside the council chamber but arising from the ordinary business of the council, and second, activities expected of him by the public.

The duties arising from ordinary business usually amount to regular communeation with the clerk and committee chairmen by meeting, fax or telephone. The cost of this often mounts up, but it can be estimated.

be that any special public relations exercise is seldom necessary; in a larger one it may well be important. One reason why local councils in the past have not received their proper recognition may be that they have not had the means to entertain in the name of the council or of the locality. This is really a form of public relations and should be considered in that light. In a small village it may be expected to attend ceremonies (to which he must travel) and occasionally to The demands of the public arise because the chairman is a local figure. He may

The amount should be fixed by the council in advance on a rational basis. It may reasonably consider what the chairman may have to do, leaving the choice of what he actually does to him. It may also wish to take into account that the free resource' will enable a council to spend money lawfully in circumstances for which other authorities in the past could only have used the chairman's allowance. ## MEMBERS' ALLOWANCES IN WALES

prescribes the maxima for payments to councillors and may set percentage rates and indices for adjustments in successive financial years. The details are Panel's website. All the maxima and rates of payment are set out in the Panel's annual report.

Local Government (Wales) Measure 2011, s 142.

### Costs and expenses allowance

16.33 Councils are authorised by the Panel to pay a maximum amount carrying out their duties.

In larger community and town councils the council is authorised to pay up to three senior salaries for members with specific roles, such as chairman of the council or of a committee. The maximum amount is currently £500 per year. A civic allowance may be provided for town mayor or chairman of a council. There is no fixed limit; the council should determine an appropriate amount.

### Reimbursement of mileage

16.34 Payments for travel costs may be made for attending approved duties both within and without the council's area. The amounts are the actual cost of are set out in the Panel's annual report.

16.36 Councils may reimburse the necessary costs incurred by councillors for the care of dependent children and adults (provided by informal and formal carers) up to a maximum (currently £403 per month).

### Taxation

16.37 The cost and expenses allowances are emoluments and therefore taxable: recipients must declare them to HMRC as part of their income, but may set off against them any expenses wholly and necessarily incurred (and not otherwise reimbursed) in the performance of the duties for which the allowance is paid. Travelling and subsistence allowances are reimbursements of sums spent and are therefore not taxable as income.

### Publicity requirements

16.38 All payments made to individual councillors must be published and provided to the Panel no later than 30th September following the end of the year to which the payments relate.

## ALLOWANCES TO OFFICERS

16.39 Expenses properly incurred by an officer as such may and indeed must at common law be defrayed by the council because they have been incurred on the council's behalf. In paying these expenses the council is not obliged by law to have regard to the amounts prescribed for councillors, but if, in equivalent circumstances, these amounts are not exceeded it would be difficult to criticise the council for extravagance.

### NATIONAL INSURANCE

16.40 See 9.32 above.

### FREEMEN'S ADDRESSES

16.41 Where a local council has admitted somebody to the honorary freedom of the locality it may spend a reasonable sum for the purpose of presenting him with an address or a casket containing one.<sup>1</sup>.
