# GRANTS POLICY

## 1. Scope of Funding

A grant is any payment made by the Parish Council to an organisation for a specific purpose that will benefit the Parish or residents of Billingshurst, and which is not directly controlled or administered by the Parish Council. The law requires that Section 137 grants must be “in the interests of or will directly benefit the area or its inhabitants, or of part of it, or of some of it” and “the direct benefit should be commensurate with expenditure”.

Funding support will be considered to voluntary and community sector organisations that are:

- based in or around Billingshurst and delivering activities or services to the people of Billingshurst
- based outside of Billingshurst but are providing activities or services not otherwise available to the people of Billingshurst

## 2. Policy

Billingshurst Parish Council awards grants, at its discretion, to organisations which can demonstrate a clear need for financial support to achieve an objective which will benefit the Parish by:

- providing a service
- enhancing the quality of life
- improving the environment
- Promoting the Parish of Billingshurst in a positive way

The Parish Council will not award grants to:

- Private individuals
- Commercial organisations
- Purposes for which there is a statutory duty upon other local or central government departments to fund or provide
- “Upward funders” ie local groups where fund-raising is sent to a central HQ for redistribution
- Political parties

- Religious organisations, unless for a purpose which does not discriminate on grounds of belief

Only one application for a grant will be considered from any organisation in any one financial year. Ongoing commitments to award grants in future years will not normally be made. A fresh application will be required each year. Grants will not normally be made retrospectively.

### **3. Availability of Funds**

The availability of funds to support voluntary activity is dependent on the Council's overall financial position and the choices it makes when allocating its resources. The Council will support direct financial support in the form of grants to eligible bodies. It is not just the role of the Parish Council to award grants. Where possible it actively encourages organisations to seek grants from other agencies to finance projects.

### **4. Application procedure**

Organisations requesting financial assistance will be invited to submit a letter of application, completed application form and most recent certified accounts, to the Parish Council for consideration, and organisations will be required to explain the reasons for the grant with clear aims and objectives.

Each application will be assessed on its own merits. However, to ensure as fair a distribution as possible of available funds, the Parish Council will take into account the amount and frequency of any previous awards. Due account may also be taken of the extent to which funding has been sought or secured from other sources or fund raising activities.

If the grant is for the purpose of purchasing equipment or towards a building project for example, then if the total cost of the project:

- i. is greater than £3,000, then the applicant must provide at least 3 quotes.
- ii. is less than £3,000, but greater than £100, then the applicant must endeavour to provide 3 quotes.

**5. Giving of a Grant**

If the application for a grant is successful the Council would welcome a report showing how the money was spent. Should a grant be awarded but not then used for the purpose intended, it must be returned to the Council.

**6. Helping with grants**

The Council is willing to signpost organisations to various funding sources, but cannot assist with, complete or submit applications for funds on behalf of any third party.

**BILLINGSHURST PARISH COUNCIL****WORKING PRACTICES COMMITTEE****WEDNESDAY 16 MARCH 2022****STAFF APPRAISALS****REPORT BY CLERK**

The Council has traditionally undertaken annual Staff Appraisals for all permanent staff.

I reported at the last meeting that these have not been undertaken the last two years due to a combination of sickness, furlough and COVID-related home-working etc.

It is fair to say that all staff think they are a waste of time in such a small environment where everyone sees everyone daily and any issues, ideas or requests from staff can be dealt with almost immediately.

At the last meeting, members indicated that they wished to consider this matter further.

There is much guidance available and you may like to look at

<https://www.personio.com/hr-lexicon/staff-appraisals/>

or others.

The Committee is invited to consider the pros and cons of undertaking staff appraisals.

## Introduction

These model standing orders update the National Association of Local Council (NALC) model standing orders contained in "Local Councils Explained" by Meera Tharmarajah (© 2013 NALC). This publication contains new model standing orders which reference new legislation introduced after 2013 when the last model standing orders were published.

## How to use model standing orders

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

## Drafting notes

Model standing orders that are in bold type contain legal and statutory requirements. It is recommended that councils adopt them without changing them or their meaning. Model standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs. It is NALC's view that all model standing orders will generally be suitable for councils.

For convenience, the word "councillor" is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

A model standing order that includes brackets like this '( )' requires information to be inserted by a council. A model standing order that includes brackets like this '[ ]' and the term 'OR' provides alternative options for a council to choose from when determining standing orders.

**1. Rules of debate at meetings**

- a Motions on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the chairman of the meeting.
- b A motion (including an amendment) shall not be progressed unless it has been moved and seconded.
- c A motion on the agenda that is not moved by its proposer may be treated by the chairman of the meeting as withdrawn.
- d If a motion (including an amendment) has been seconded, it may be withdrawn by the proposer only with the consent of the seconder and the meeting.
- e An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.
- f If an amendment to the original motion is carried, the original motion (as amended) becomes the substantive motion upon which further amendment(s) may be moved.
- g An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the chairman of the meeting, is expressed in writing to the chairman.
- h A councillor may move an amendment to his own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.
